RENAISSANCE ESMERALDA RESORT & SPA, THE PERFECT FAMILY OASIS

Indian Wells, California – An array of activities await at the newly redesigned Renaissance Esmeralda—from championship golf and a sandy beach for building castles to the relaxing world class Spa Esmeralda and pools for swimming or sunning—every member of the family can experience a vacation to remember.

For the younger guests, the Renaissance Esmeralda Resort & Spa offers Camp Oasis, a full-service children's recreation program featuring fun-filled days of interactive games and activities that exercise the mind, as well as the body. Committed to providing the entire family with a premium experience, Camp Oasis draws from the expertise of skilled and creative teachers from a highly regarded local private school to create a truly dynamic program. From cooking with dates and painting palm leaves to meeting a real desert tortoise, each child will experience the uniqueness of the California Desert.

Camp Oasis is focused on providing child-care service for children aged 5-12 that takes advantage of their time to extend learning into the family vacation. Registration takes place between 9:00-9:30 a.m. and advance reservations are recommended. It is suggested that kids bring with them their bathing suit, layered clothing with a jacket or cover up, closed-toed shoes, sunscreen, a hat and a change of clothes. The program includes a snack and t-shirt.

Throughout the year, Camp Oasis offers fun filled days designed to provide maximum enjoyment for all participants. Counselors, who have current CPR, First-Aid and Water Safety certification, plan activities each day according to the ages and interests of the children enrolled. Daily activities include a wide variety of arts and crafts, from painting on palm bark and rocks to weaving with yarn and golf ball painting, just to name a few. And for snack time each day, the children make themselves either a date shake or "dirt and worms in a cup." The cost of the camp is \$35.00 for resort guests, which includes a half-day of fun.

The Renaissance Esmeralda's pool complex offers a sandy beach area, complete with a beach-entry pool, as well as a spectacular waterfall feature and combinations of shallow swimming areas and Jacuzzi bungalows. Kids and parents alike can enjoy the sun or bask in the warm waters of the extensive pools throughout the day, creating a memorable family vacation

experience. The pool bar offers snacks for hungry sunbathers and free towel service. Floatation devices are provided throughout the day for the enjoyment of loungers and adventurous children alike.

From elegant fine dining with views of the resort's majestic desert and fairway views, to casual poolside cuisine, a cornucopia of seven dining experiences is sure to please every palate at the Renaissance Esmeralda Resort & Spa. Among the notable eateries is Cava, Renaissance Esmeralda's newest dining concept, which offers California Fresh cuisine of traditional favorites with a clean, fresh twist. Offering an extensive brunch buffet as well as a la carte items, Cava is the perfect stop to get the family ready for a day enjoying the desert's splendor.
